						Research Grants & Contracts - Pay			13,200	12%
						Research Grants & Contracts - Non-Pay			8,800	8%

International students are those whose normal domicile is outside of Ireland. The number of international students is the headcount number of full-time undergraduates and postgraduates plus all incoming ERASMUS students and all international occasional students without regard to the duration of their study period. This approach is adopted in order to facilitate comparison with the 2010/11 baseline figure.
