AN tÚDARÁS UM ARD-OIDEACHAS

Report of the Comptroller and Auditor General for presentation to the Houses of the Oireachtas

I have audited the financial statements of An tÚdarás um Ard-Oideachas for the year ended 31 December 2009 under the Higher Education Authority Act, 1971.

The financial statements, which have been prepared under the accounting policies set out therein, comprise the Statement of Accounting Policies, the Income and Expenditure Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet, the Cash Flow Statement and the related notes.

Respective Responsibilities of the Údarás and the Comptroller and Auditor General

The Údarás is responsible for preparing the financial statements in accordance with the Higher Education Authority Act, 1971, and for ensuring the regularity of transactions. The Údarás prepares the financial statements in accordance with Generally Accepted Accounting Practice in Ireland. The accounting responsibilities of the Members of the Údarás are set out in the Statement of Responsibilities of An tÚdarás.

My responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

I report my opinion as to whether the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland. I also report whether, in my opinion, proper books of account have been kept. In addition, I state whether the financial statements are in agreement with the books of account.

I report any material instance where moneys have not been applied for the purposes intended or where the transactions do not conform to the authorities governing them.

I also report if I have not obtained all the information and explanations necessary for the purposes of my audit.

I review whether the Statement on Internal Financial Control reflects the Údarás's compliance with the Code of Practice for the Governance of State Bodies and report any material instance where it does not do so, or if the statement is misleading or inconsistent with other information of which I am aware from my audit of the financial statements. I am not required to consider whether the Statement on Internal Financial Control covers all financial risks and controls, or to form an opinion on the effectiveness of the risk and control procedures.

Basis of Audit Opinion

In the exercise of my function as Comptroller and Auditor General, I conducted my audit of the financial statements in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board and by reference to the special considerations which attach to State bodies in relation to their management and operation. An audit includes examination, on a

test basis, of evidence relevant to the amounts and disclosures and regularity of the financial transactions included in the financial statements. It also includes an assessment of the significant estimates and judgments made in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Údarás's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations that I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming my opinion, I also evaluated the overall adequacy of the presentation of information in the financial statements.

Without qualifying my opinion, which is given below, I draw attention to the following matters.

Internal Control Review

The Statement on Internal Financial Control discloses that the Údarás did not conduct a review of the effectiveness of the system of internal financial control during the year ended 31 December 2009.

Pension Funding

Historically, universities that operated funded pension schemes received recurrent grant funding from the Údarás to cover gross salary cost plus employer pension contributions. Following the introduction of model pension schemes for new employees, which do not involve employer contributions, the Údarás did not adjust downwards the funding provided to the universities. Instead, it instructed the universities to set aside in separate funds the employee pension contributions paid by model scheme members, together with amounts equivalent to employer contributions. The Údarás has estimated that the accumulated funds in the five universities concerned stood at €29 million at the end of 2009.

Opinion

In my opinion, the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of the Údarás's affairs at 31 December 2009 and of its income and expenditure for the year then ended.

In my opinion, proper books of account have been kept by An tÚdarás um Ard-Oideachas. The financial statements are in agreement with the books of account.

John Buckley

Comptroller and Auditor General

以 November 2010

STATEMENT OF RESPONSIBILITIES OF AN tÚDARÁS

Paragraph 20 (1) of the Schedule to the Higher Education Authority Act, 1971 requires An tÚdarás to prepare financial statements in such form as may be approved by the Minister for Education & Skills after consultation with the Minister for Finance for each financial year which give a true and fair view of the state of affairs of the Higher Education Authority.

In preparing those financial statements, An tÚdarás is required to:

- Select suitable accounting policies and apply them consistently.
- Make judgements and estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that An tÚdarás will continue in operation.
- Disclose and explain any material departures from applicable accounting standards

An tÚdarás is responsible for keeping proper books of account which disclose with reasonable accuracy at any time its financial position and which enable it to ensure that the financial statements comply with paragraph 20 (1) of the Schedule to the Act. An tÚdarás is also responsible for safeguarding its assets and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Deputy Chairperson:

Chief Executive:

Date: 4 11 2010

Statement on System of Internal Financial Control

- 1. On behalf of the members of the Higher Education Authority I acknowledge our responsibility for ensuring that an effective system of internal financial controls is maintained and operated.
- The system of internal financial controls can provide only reasonable and not absolute assurance that assets are safeguarded, transactions are authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected in a timely period.

3. Key Control Procedures

The Authority has taken steps to ensure an appropriate control environment by:

- Clearly defining management responsibilities, including segregation of duties;
- Adopting the principles of corporate governance contained in the Code of Practice for Governance of State Bodies;
- Establishing formal procedures for reporting significant control failures and ensuring appropriate corrective action is taken; and
- Establishing formal procedures to monitor the activities and safeguard the assets of the organisation.

The system of internal financial controls is based on a framework of regular management information, a system of delegation and accountability, a set of financial and administrative procedures and rigorous ongoing checks by the finance function. In particular it includes:

- A comprehensive budgeting system with an annual budget, which is reviewed and approved by the members of the Authority;
- Regular review by the members of the Authority of periodic and annual financial information and reports which indicate financial performance against budgets; and
- Setting authorisation limits for expenditure in relation to requisition of funds and disbursement of funds.

The Authority has an Audit Committee who meet on a regular basis to review the work of Internal Audit. The Audit Committee report to the Authority. The work of the Internal Audit is outsourced and Internal Audit plans are based on a risk analysis profile. A medium term audit plan has been prepared and approved by the Audit Committee.

The Authority's monitoring and review of the effectiveness of the system of internal financial control is informed by the work of the internal auditor, the Audit Committee, the executive management team of the Authority which has responsibility for the development and maintenance of the financial controls framework, and comments made by the Comptroller and Auditor General in management letters and other reports as applicable.

The Authority has approved a risk management framework and with the assistance of the Internal Auditor a risk register has been put in place. The Audit Committee received a report from the CEO on implementation of the HEA's risk management framework at its first meeting in 2009.

The Committee considered and recommended for approval a number of policies to tighten internal controls during 2009 including a policy on the opening of bank accounts, travel & subsistence policy fraud policy and a good-faith reporting policy. These policies were subsequently approved by the Authority.

The Internal Auditor undertook a review of governance arrangements between the two Research Councils and the HEA in late 2009. The Audit Committee approved the internal audit report at its meeting in March 2010. The CEO will update the Committee on the management of risk at that meeting.

4 Annual Review of Controls

No review of the effectiveness in 2009 of the System of Internal Financial Control was carried out, but a review was carried out in 2010 by the board prior to signing these Financial Statements.

Deputy Chairperson of the HEA

9/11/2010 Date

AN tÚDARÁS UM ARD-OIDEACHAS

STATEMENT OF ACCOUNTING POLICIES

An tÚdarás um Ard-Oideachas was established on 15th May 1972 to perform functions assigned to it by Acht an Údaráis um Ard-Oideachas 1971. The format of its financial statements has been approved by the Minister for Education and Skills with the concurrence of the Minister for Finance and comprise an Income and Expenditure Account, Balance Sheet and a Cash Flow Statement. On the 1st F ebruary 2007 the Authority assumed the responsibility for funding the Institutes of Technology.

ACCOUNTING POLICIES

1. Basis of Accounting

The Financial Statements have been prepared under the historical cost convention. These Statements are prepared on an accruals basis, except as stated below and are in accordance with generally accepted accounting practice. Financial Reporting Standards, recommended by the Accounting Standards Board, are adopted as they become effective.

2. <u>Oireachtas Grants</u>

Income from Oireachtas grants represents accrued income in the year.

Fixed Assets

The fixed assets of the Authority comprising furniture and equipment and computers are stated in the financial statements at cost or valuation less accumulated depreciation.

Depreciation

Computers are depreciated at a rate of 33 ^{1/3} % per annum straight line method. All other fixed assets are depreciated at a rate of 10% per annum straight line method.

4. Capital Funding

The assets of the Authority are financed out of administration grants. The Capital Reserve Account represents the amount of income allocated for capital purposes less the amount released to revenue over the life of the assets.

5. Grants allocated to Universities, Institutes of Technology and Designated Institutions: The expenditure under these headings represents the grants which were allocated to the Universities and the Institutes of Technology in respect of the year. The designated institutions are St. Patrick's College Drumcondra, Mary Immaculate College, St. Angela's College and Mater Dei. These grants are applied by the institutions on the following basis:

(a) Recurrent Grants

In addition to meeting the running expenses these grants may also be applied for certain other purposes, including the purchase of furniture, the replacement of equipment or the carrying out of minor capital projects.

(b) <u>Building Grants</u>

In certain instances grants reported under this heading may be used to fund initial issues of library stock, equipment or furniture.

(c) Research Initiative Grants

These grants comprise

- Funding under the Programme for Research in Third Level Institutions (PRTLI) for recurrent and capital purpose schemes.
- Funding under the Research Schemes of the Irish Research Council for Humanities and Social Science (IRCHSS) and the Irish Research Council for Science, Engineering and Technology (IRCSET).

- Funding under the North/South Programme for Collaborative Research.
- Funding under the fund for Collaborative Research between MediaLab Europe and Irish Third Level Institutions.
- Funding since 1 October 1999 on behalf of the Department of Education and Skills under a post doctoral fellowship scheme.

(d) The National Office for Equality of Access to Higher Education.

These grants comprise

- Funding under the Student Assistance Programme.
- · Funding under the fund for Students with Disabilities.
- Funding of Community organisations under the Millennium Partnership Fund through Area Development Management Ltd.

6. SUPERANNUATION

A superannuation scheme under section 15 of the Higher Education Authority Act, 1971 has been approved.

The Higher Education Authority operates a defined benefit pension scheme under Section 15 of the Higher Education Authority Act, 1971 which is funded annually on a pay as you go basis from monies provided by the Department of Education and Skills and from contributions deducted from staff salaries.

Pension costs reflect pension benefits earned by employees in the period and are shown net of staff pension contributions which are retained by the Higher Education Authority. An amount corresponding to the pension charge is recognised as income to the extent that it is recoverable, and offset by grants received in the year to discharge pension payments.

Actuarial gains or losses arising on scheme liabilities are reflected in the Statement of Total Recognised Gains and Losses and a corresponding adjustment is recognised in the amount recoverable from the Department of Education and Skills.

Pension liabilities represent the present value of future pension payments earned by staff to date. Deferred pension funding represents the corresponding asset to be recovered in future periods from the Department of Education and Skills.

7. MEMBERS' INTERESTS.

The Authority adopted procedures in accordance with guidelines issued by the Department of Finance in relation to the disclosure of interests by Authority Members and these procedures have been adhered to in the year.

There were no transactions in the year in relation to the Authority's activities in which the Authority Members had any beneficial interest.

NOTES ON THE FINANCIAL STATEMENTS (cont'd)

FOR THE YEAR ENDED 31 DECEMBER 2009

13. <u>LIFELONG LEARNING PROGRAMME - EU</u>

The HEA is the national agency in Ireland for the EU funded Life Long Learning programme.

a) ERASMUS GRANTS SCHEME

This scheme provides grants for transnational student mobility within member states of the EU, covering a period between three and twelve months. To be eligible a person must be a fully registered student pursuing a full time course in an approved third level institution.

Funding is received from the EU and paid out to the Universities and Colleges on an academic year basis. Allocations to Universities and Colleges for the 2008/2009 and 2009/2010 academic years were 64,822,000 and 65,058,000 respectively.

Unexpended amounts are refundable to the EU at the end of each academic year.

NOTES ON THE FINANCIAL STATEMENTS (cont'd)

FOR THE YEAR ENDED 31 DECEMBER 2009

At 31 December 2008, an amount of €203,878 was refundable to the EU in respect of academic years up to 2007/2008. For the academic year 2008/2009 the amount, if any, refundable to the EU will be established on finalisation of all claims.

Lo will be established on mansation of an	Cialilis.

b) PROMOTION OF ERASMUS GRANTS SCHEME

A once-off programme funding of €109,616 was received from the EU in 1996 to run an information programme on the Erasmus grants scheme. The balance of €94,884 is treated as deferred income and included in Creditors and may be refundable in whole or in part to the EU.

NOTES ON THE FINANCIAL STATEMENTS (cont'd)

FOR THE YEAR ENDED 31 DECEMBER 2009

14. CAPITAL COMMITMENTS

The amount of capital commitments under contract and approved by the Authority at 31 December 2009 amounted to €52,613,319 (2008 - €169,574,570). Commitments not under contract but approved by the Authority are estimated at €8,336,254 at 31 December 2009 (2008 - €80,458,294).

15. OPERATING LEASE

Premises at Brooklawn House, Shelbourne Road, Ballsbridge, Dublin 4 are held under two separate tenancy agreements.

The first floor is held under a 25 year agreement from May 2001 with a 5 year review at an annual cost of €520,593.

The ground floor is held under a 25 year agreement from November 2001 with a 5 year review at an annual cost of €319,974. This floor was totally sublet to HEAnet Limited until October 2006 when HEAnet moved to new premises. There was no change in the rent for both floors of Brooklawn House following a rent review in 2006.

16. Comparative Figures

Comparative figures have been adjusted to conform with changes in presentation in these financial statements.

17. HEAnet Ltd

This company was incorporated on 12 November, 1997. The company is limited by guarantee and the Higher Education Authority is an ordinary member of the company. The company provides internet services to subscriber higher educational and research Institutions. There was an accumulated surplus of €984,635 on the company's activities as at 31 December 2009 (2008 €906,913)

Tom Boland who is Chief Executive of HEA is chairman of HEAnet. Grants paid by the HEA to HEAnet were 2009 €7,614,428 and 2008 €14,302,631.

Chief Officers' Remuneration

Chief Executive's remuneration and expenses

The Chief Executive's remuneration for 2009 was €158,644. Expenses include the following categories: motor travel, subsistence, accommodation, taxis, public transport and sundry items. The Chief Executive of the HEA is seconded from the Department of Education and Skills. He is not a member of the HEA's superannuation scheme. He is a member of the civil service pension scheme.

Chairman remuneration and expenses

The Chairman's remuneration for 2009 was €82,737. Expenses include the following categories: motor travel, subsistence, accommodation, taxis, public transport and sundry items. He is not a member of the HEA's superannuation scheme. He is a member of the civil service pension scheme.

Notes: During 2008, Hamidreza Khodabakhshi - President Union of Students of Ireland, finished his term of office (July 2008) and Chris Horn resigned from the Authority (Jan 2008). During 2008, the Government appointed Shane Kelly - President Union of Students of Ireland (July 2008). The Government appointed the following new Authority Members in 2009: Noel Davern (May 2009), Peter Mannion - President Union of Students of Ireland, (July 2009) and Ray McCarthy (Oct 2009). During 2009, Shane Kelly - President Union of Students of Ireland, finished his term of office (July 2009) and Patrick Kelleher retired from the Authority (July 2009).

NOTES ON THE FINANCIAL STATEMENTS (cont'd)

FOR THE YEAR ENDED 31 DECEMBER 2009

19. **SUPERANNUATION**

a. Composition of the scheme

The Higher Education Authority operates a defined benefits scheme which is unfunded. The pension scheme is a defined benefit final salary pension arrangement with benefits and contributions defined by reference to current 'model' public sector scheme regulations. The scheme provides a pension (eightieths per year of service), a gratuity or lump sum (three eightieths per year service) and spouse's and children's pensions. Normal Retirement Age is a member's 65th birthday, and pre 2004 members have an entitlement to retire without actuarial reduction from age 60. Pensions in payment (and deferment) generally increase in line with general public sector salary inflation.

The valuation used for FRS17 (Revised) disclosures has been based on a full actuarial valuation in March 2010 by a qualified independent actuary to take account of the requirements of FRS in order to assess the scheme liabilities at 31 December 2009. The principal actuarial assumptions were as follows:

Discount Rate Rate of Expected Salary Increase Rate of increase in Pension Payment Inflation

6 % 0% for one year, 4.0% thereafter 0% for one year, 3.5% thereafter 2%

At 31/12/2009

The demographic assumptions i.e. mortality rates in service and in retirement are in line with standard tables employed in the actuarial valuations of similar public sector type schemes. This reflects the current trend of improvements in mortality and the general expectation that this trend is set to continue for the immediate future. The tables employed are:

	Mortality Table	Implied life expectancy for a 65 year old
Post-retirement – future pensioners	85% *PMA92 (C=2030) for male pensioners	22.7
	85% * PFA92 (C=2030) for female pensioners	25.9
Post-retirement – current pensioners	85% * PMA92 (C=2015) for male pensioners	21.6
-	85% * PFA92 (C=2015) for female pensioners	24.7
*Rated down by one year		

^{*}Rated down by one year

b. Net Deferred Funding for Pensions in year	i	
•	2009	2008
	€	€
Funding recoverable in respect of current year pension costs	1,038,590	1,122,929
State Grant applied to pay pensioners	(428,513)	(427,238)
• • • •	610,077	695,691
c. Analysis of total pension costs charged to Expende	iture	
	2009	2008
•	€	€
Current service cost	488,978	616,301
Interest on Pension Scheme Liabilities	549,612	506,628
Employee Contributions	(174,963)	(172,100)
	863,628	950,829

d. Deferred Funding Asset for Pensions.

The Higher Education Authority recognises these amounts as an asset corresponding to the unfunded deferred liability for pensions on the basis of the set of assumptions described above and a number of past events. These events include the statutory basis for the establishment of the superannuation scheme, and the policy and practice currently in place in relation to funding public service pensions including contributions by employees and the annual estimates process. While there is no formal agreement regarding these specific amounts with the Department of Education and Skills, the Higher Education Authority has no evidence that this funding policy will not continue to meet such sums in accordance with current practice. The deferred funding asset for pensions as at 31 December 2009 amounted to (£11,445,850) (2008: £9,772,719)
