OGP.GOV.IE

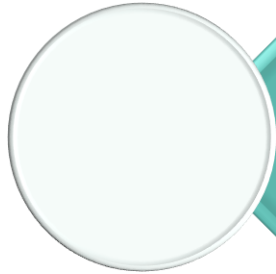

Delivering Sustainable Procurement Solutions

Multi-annual procurement plan

Important engagement between Higher Education Institutions, EPS and OGP

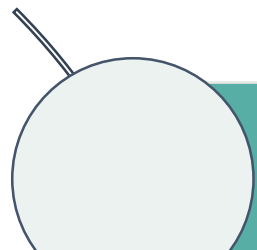

Component of good governance and assists the OGP and other CPBs in supporting procurement requirements across the public services

Good opportunity to build procurement strategies

Key benefits

Opportunity for timely planning, early identification of procurement priorities

Increasing compliance

The potential to improve frameworks for clients

Value of Planning in Public Procurement

Benefits for the sector

Aggregated spend data
across all Universities
and Institutions of
Technology

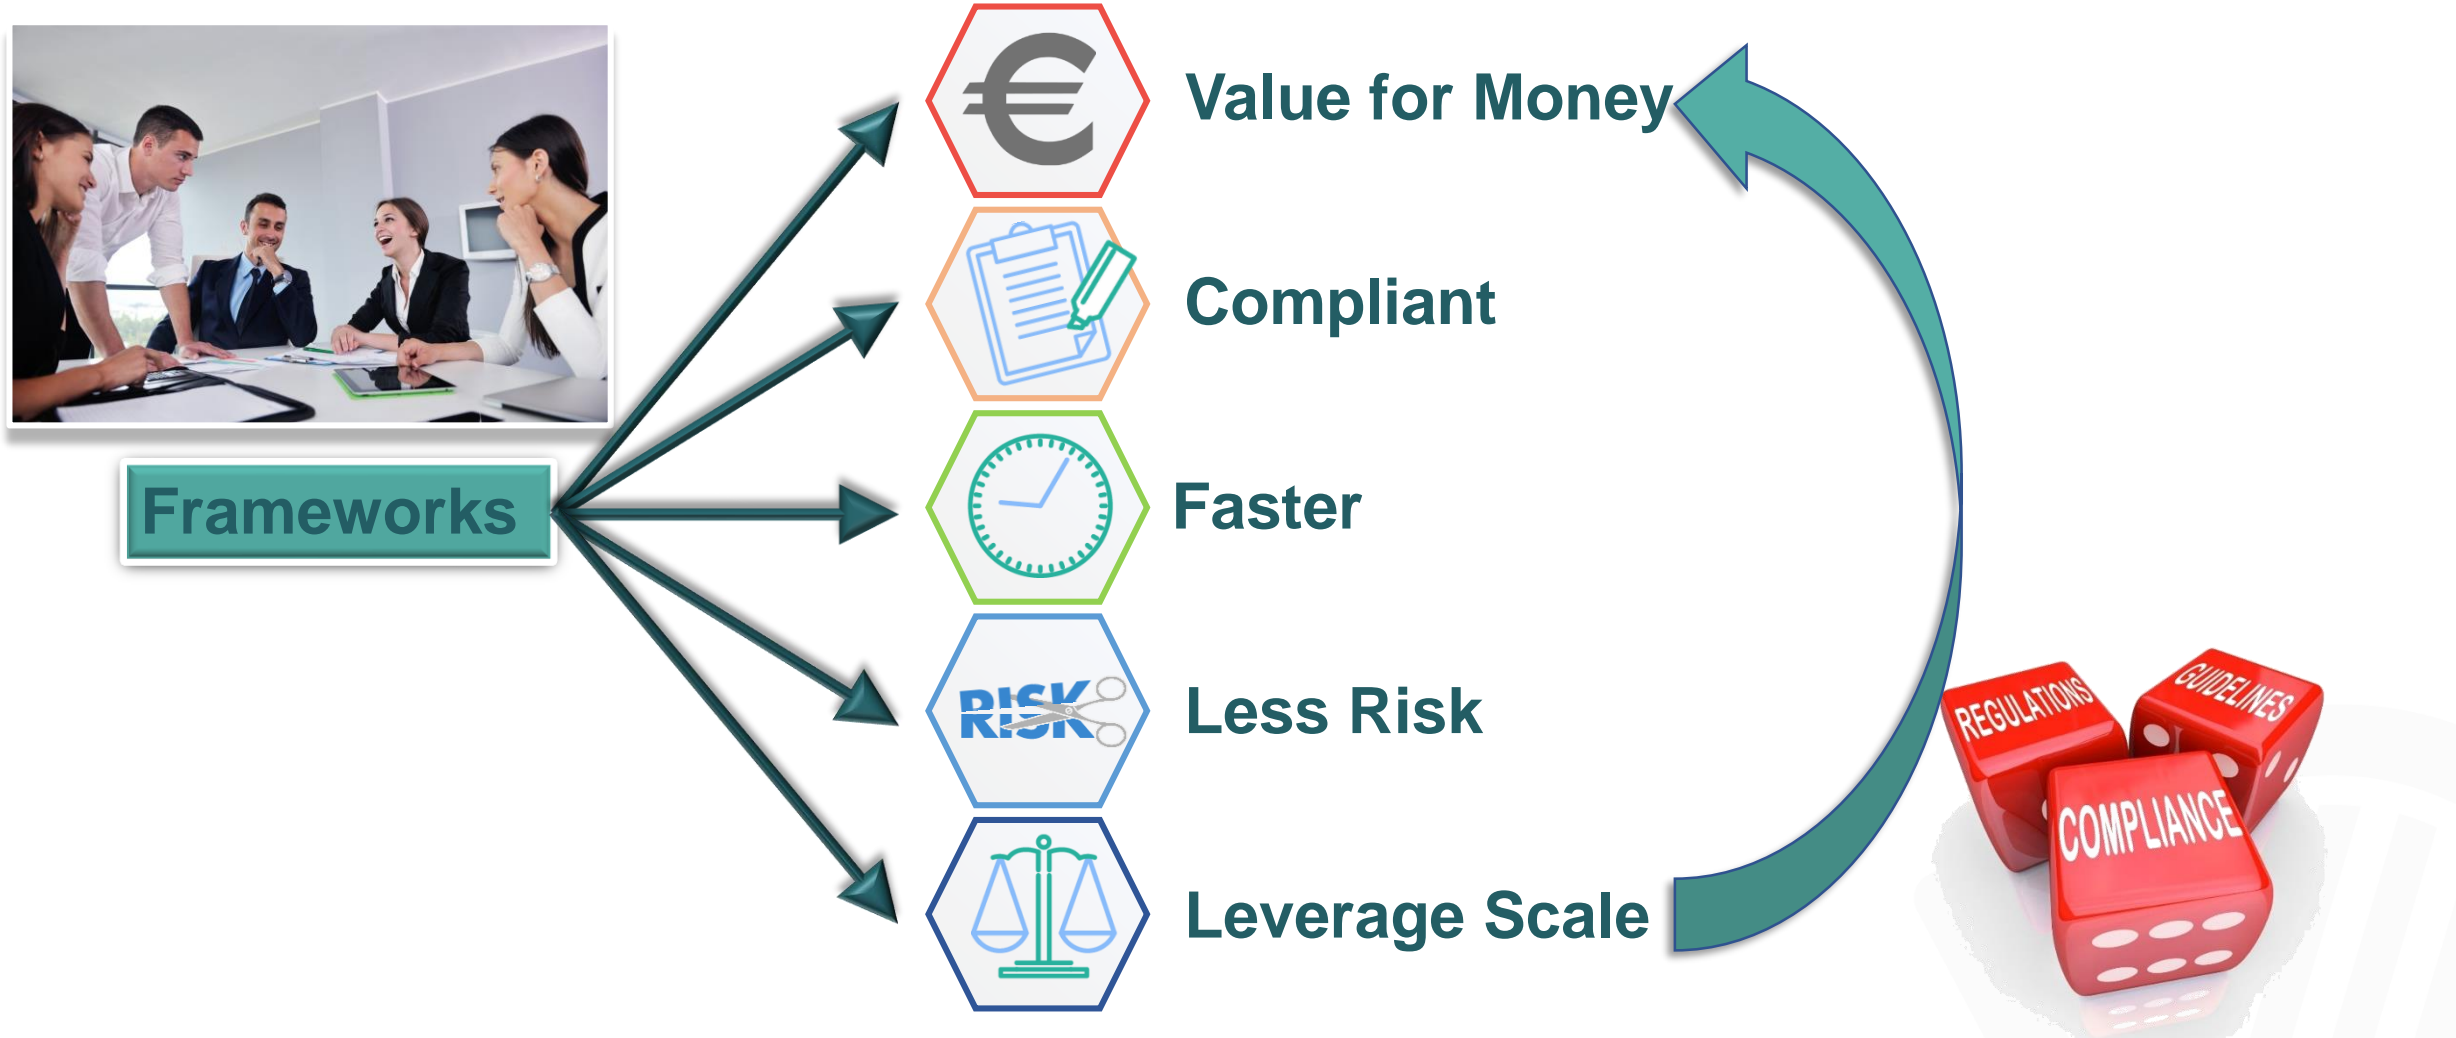

Real data which can
feed into OGP portfolio
sourcing strategies via
category councils

Potential for PSRs for
the Higher Education
organisations or a
sector-wide Framework

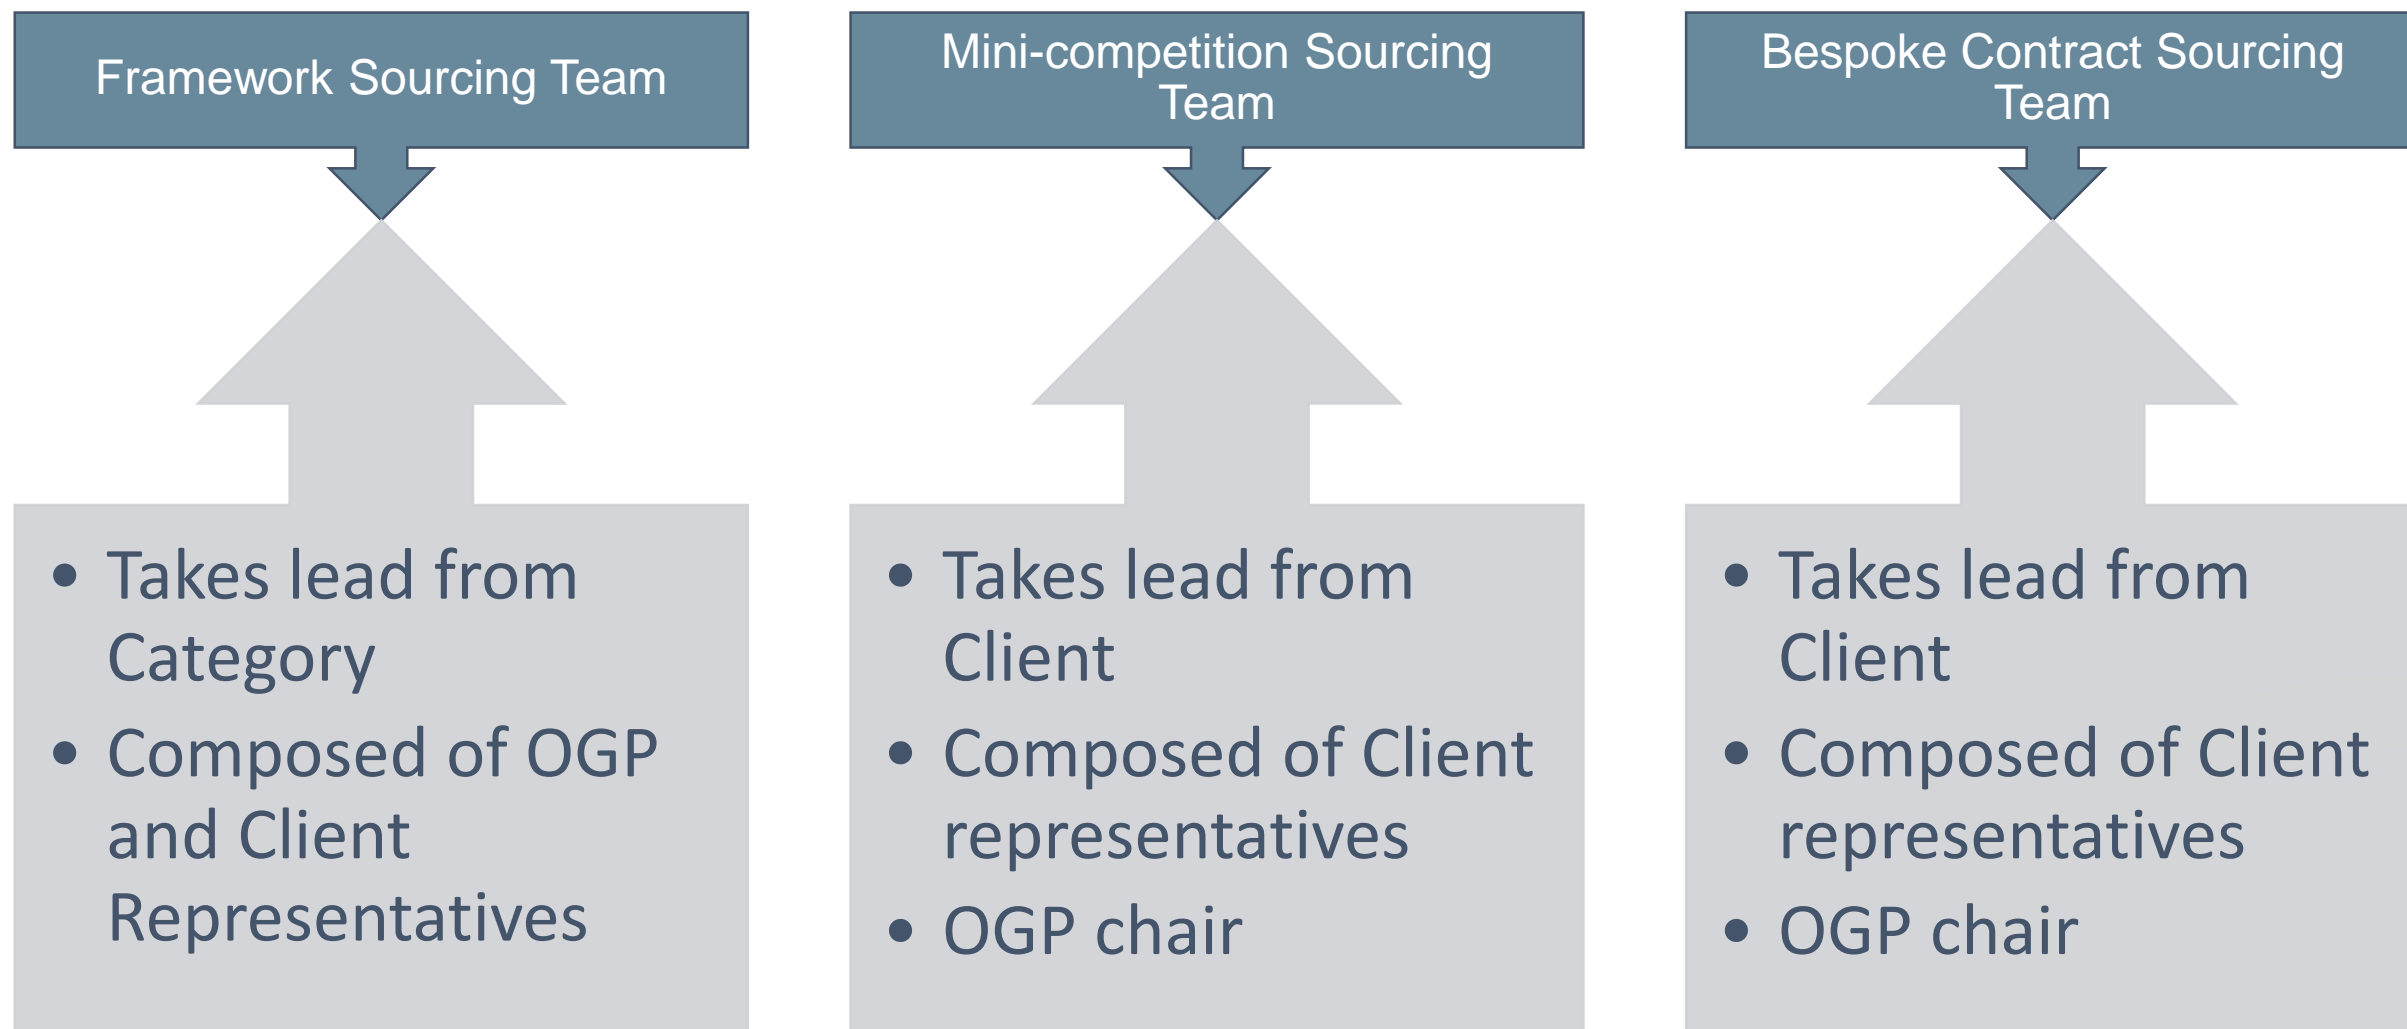

OGP's 2019 Info Note – Corporate Procurement Plan

“Corporate Procurement Plans help the OGP and other CPBs to support procurement across the public sector, identify procurement trends and the need for new frameworks, and make enhancements to future iterations of existing frameworks where necessary”

Benefits of Frameworks

Different Types of Sourcing Teams
