- c) At the time of being offered an appointment, the Higher Education Authority, in consultation with the Department of Further & Higher Education, Research, Innovation & Science and the Department of Public Expenditure and Reform if necessary, will, in the light of the appointee's previous Public Service (and/or other) employment history, determine the appropriate pension terms and conditions to apply for the duration of the appointment. - d) Retirement age shall be subject to relevant superannuation scheme provision and the statutory provisions set out in the Public Service Pensions (Single Scheme and Other Provisions) Act 2012 and the Public Service Superannuation (Age of Retirement) Act 2018;
- e) The following points should be noted:
- Pension Accrual: A 40-year limit on total service that can be counted towards pension where a person has been a member of more than one existing public service pension scheme will apply. This 40-year limit, which is provided for in the Public Service Pensions (Single Scheme and other Provisions) Act 2012 came into effect on 28 July 2012. This may have implications for any appointee who has acquired pension rights in a previous public service employment.
 - Pension Abatement: The Public Service Pensions (Single Scheme and Other Provisions) Act 2012 extended pension abatement so that a retiree's public service pension is liable to abatement on re-entering public service employment, even where the new employment is in a different area of the public service. However, if the appointee was previously employed in the Civil Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER) or the Health Service Executive VER/VRS which, as outlined below, render a person ineligible for the competition) the entitlement to payment of that pension will cease with effect from the date of reappointment. Special arrangements will, however, be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.
 - Department of Education and Skills Early Retirement Scheme for Teachers Circular 102/2007: The Department of Education and Skills introduced an Early Retirement Scheme for Teachers. It is a condition of the Early Retirement Scheme that with the exception of the situations set out in paragraphs 10.2 and 10.3 of the relevant circular, and with those exceptions only, if a teacher accepts early retirement under Strands 1, 2 or 3 of this scheme and is subsequently employed in any capacity in any area of the public sector, payment of pension to that person under the scheme will immediately cease. Pension payments will, however, be resumed on the cesser of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension will be based on the person's actual reckonable service as a teacher (i.e. the added years previously granted will not be taken into account in the calculation of the pension payment).
 - Ill-Health Retirement: Please note that where an individual has retired from a Civil/Public Service body on the grounds of ill-health his/her pension from that employment may be subject to review in accordance with the rules of ill-health retirement within the pension scheme of that employment.
6. Pension Related Deduction: This appointment is subject to the pension-related deduction in accordance with the Financial Emergency Measures in the Public Interest Act 2009. For further information in relation to public service superannuation issues please see the following website: <http://per.gov.ie/pensions>
7. Incentivised Scheme for Early Retirement (ISER): It is a condition of the Incentivised Scheme for Early Retirement (ISER) as set out in Department of Finance Circular 12/09 that retirees, under that Scheme, are debarred from applying for another position in the same employment or the same sector. Therefore, such retirees may not apply for this position.
8. Department of Health and Children Circular (7/2010): The Department of Health Circular 7/2010 dated 1 November 2010 introduced a Targeted Voluntary Early Retirement (VER) Scheme and Voluntary Redundancy Schemes (VRS). It is a condition of the VER scheme that persons availing of the scheme

will not be eligible for re-employment in the public health sector or in the wider public service or in a body wholly or mainly funded from public moneys. The same prohibition on re-employment applies under the VRS, except that the prohibition is for a period of 7 years, after which time any re-employment will require the approval of the Minister for Public Expenditure and Reform. People who availed of either of these schemes are not eligible to compete in this competition.

9. **Collective Agreement: Redundancy Payments to Public Servants**
The Department of Public Expenditure and Reform letter dated 28th June 2012 to Personnel Officers introduced, with effect from 1st June 2012, a Collective Agreement which had been reached between the Department of Public Expenditure and Reform and the Public Services Committee of the ICTU in relation to ex-gratia Redundancy Payments to Public Servants. It is a condition of the Collective Agreement that persons availing of the agreement will not be eligible for re-employment in the public service by any public service body (as defined by the Financial Emergency Measures in the Public Interest Acts 2009 – 2011) for a period of 2 years from termination of the employment. Thereafter the consent of the Minister for Public Expenditure and Reform will be required prior to re-employment. People who availed of this scheme and who may be successful in this competition will have to prove their eligibility (expiry of period of non-eligibility) and the Minister's consent will have to be secured prior to employment by any public service body.
10. **Declaration of previous public service employment history:**
Applicants will be required to declare whether they have previously availed of a public service scheme of incentivised early retirement and/or the collective agreement outlined above. Applicants will also be required to declare any entitlements to a Public Service pension benefit (in payment or preserved) from any other Public Service employment and/or where they have received a payment-in-lieu in respect of service in any Public Service employment

Competition Process

How to Apply :

Applications should be made by sending a current CV (3 pages maximum) together with a cover letter outlining suitability for the post applied for by email to Ms Karen Tracey, HR Executive Officer ap.recruit@hea.ie no later than **5pm, the 26th of March 2023**. Applicants will be required to provide a declaration as outlined in paragraph 10.

Selection Process:

The selection may include shortlisting of candidates on the basis of the information contained in their application and by:

- Interview, either in person in the HEA's offices or via MS Teams/Skype/Zoom
- Satisfactory references (referees will not be contacted without the candidate's prior agreement)

The Higher Education Authority reserves the right to require candidates attend a second interview.

Shortlisting:

Normally the number of applications received for a position exceeds that required to fill existing and future vacancies for the position(s). While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, the Higher Education Authority may decide that a number only will be called to interview. In this respect, the Higher Education Authority provide for the employment of a short-listing process to select a group for interview who, based on an examination of the applications, appear to be the most suitable for the position(s). An expert board will examine the applications against pre-determined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience in your application.

Panel

At the end of the selection process a panel of qualified candidates is formed from which vacancies may be filled. The panel will be used to fill suitable vacancies, permanent and fixed-term contract, exclusively in the Finance Department. Qualification and placement on a panel is not a guarantee of appointment to a position. The panel will remain in place for a period of two years from the date of final interviews.

Closing Date: 5pm the 26th of March 2023

Confidentiality:

Subject to the provisions of the Freedom of Information Act, 1997 as amended applications will be treated in strict confidence.

Security Clearance:

Garda vetting may be sought in respect of individuals who are considered for appointment. The applicant may be required to complete and return a Garda Vetting form. This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which they resided. If unsuccessful, this information will be destroyed by the Higher Education Authority. If the applicant subsequently comes under consideration for another position, they will be required to supply this information again.

Candidates must not:

- knowingly or recklessly provide false information
