

HEA Funding Framework Consultation Process

Frequently Asked Questions

Question:

Are individual higher education institutions permitted to submit responses to the HEA Funding Framework consultation, or are submissions restricted solely to representative bodies?

Answer:

The consultation process is open to bodies seeking funding as well as to representative bodies.

Question:

Can a body seeking funding be an individual higher education institution, or must it be represented collectively?

Answer:

A body seeking funding may be an individual higher education institution which is not represented collectively. The definition of bodies seeking funding is that used in S37 of the Higher Education Authority Act, 2022.
