Pension payments will, however, be resumed on the cesser of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension will be based on the person's actual reckonable service as a teacher (i.e., the added years previously granted will not be taken into account in the calculation of the pension payment).
 - **Ill-Health Retirement:** Please note that where an individual has retired from a Civil/Public Service body on the grounds of ill-health his/her pension from that employment may be

subject to review in accordance with the rules of ill-health retirement within the pension scheme of that employment.

1. **Incentivised Scheme for Early Retirement (ISER):** It is a condition of the Incentivised Scheme for Early Retirement (ISER) as set out in Department of Finance Circular 12/09 that retirees, under that Scheme, are debarred from applying for another position in the same employment or the same sector. Therefore, such retirees may not apply for this position.
2. **Department of Health and Children Circular (7/2010):** The Department of Health Circular 7/2010 dated 1st November 2010 introduced a Targeted Voluntary Early Retirement (VER) Scheme and Voluntary Redundancy Schemes (VRS). It is a condition of the VER scheme that persons availing of the scheme will not be eligible for re-employment in the public health sector or in the wider public service or in a body wholly or mainly funded from public moneys. The same prohibition on re-employment applies under the VRS, except that the prohibition is for a period of 7 years, after which time any re-employment will require the approval of the Minister for Public Expenditure and Reform. People who availed of either of these schemes are not eligible to compete in this competition.
3. **Collective Agreement - Redundancy Payments to Public Servants:** The Department of Public Expenditure and Reform letter dated 28th June 2012 to Personnel Officers introduced, with effect from 1st June 2012, a Collective Agreement which had been reached between the Department of Public Expenditure and Reform and the Public Services Committee of the ICTU in relation to ex-gratia Redundancy Payments to Public Servants. 4. **Change in eligibility criteria:** Applicants are required to notify the HEA immediately if there is a change in their eligibility to work in the State at any stage in the application process or should they be placed on a Panel during the period that they are on that Panel.
5. The HEA reserves the right to remove a candidate from the application process, or any relevant recruitment Panel should the candidate no longer have lawful authority to work in the State.

Competition Process

Candidates with disabilities:

If you have a disability or need reasonable accommodations made during the selection process, we strongly encourage you to share this with us so that we can ensure you get the support that you need. Reasonable accommodation in our selection process refers to adjustments and practical changes which would enable a disabled candidate to have an equal opportunity for this competition.

Examples of adjustments we provide include the use of assistive technology, extra time, scribes, and/or readers or a range of other accommodations. Please be assured that having a disability or requiring adjustments will not impact on your progress in the selection process; you will not be at a disadvantage if you disclose your disability or requirements to us. Your disability and/or adjustments will be kept entirely confidential.

If you would like to talk about your application or any accommodations that may be of benefit during the recruitment process, please contact our Disability Liaison Officer, Liam McCaffrey, at <mailto:dlo@hea.ie>

Should you be successful, the disclosure of a disability for this stage of the process will not be passed onto the employing department unless you request that we do so.

Selection Process:

The selection may include shortlisting of candidates based on the information contained in their application and by:

- Interview, either in person in the HEA's offices or via MS Teams
- Satisfactory references (referees will not be contacted without the candidate's prior agreement)

The Higher Education Authority reserves the right to require candidates to attend a second interview.

Shortlisting:

Normally the number of applications received for a position exceeds that required to fill existing and future vacancies for the position(s). While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, the Higher Education Authority may decide that a number only will be called to interview. In this respect, the Higher Education Authority may provide for the employment of a short-listing process to select a group for interview who, based on an examination of the applications, appear to be the most suitable for the position(s). An expert board will examine the applications against pre-determined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience in your application.

Panel

At the end of the selection process a Panel of qualified candidates is formed from which vacancies may be filled. The panel will be used to fill a number of permanent contracts. Qualification and placement on a panel is not a guarantee of appointment to a position. The panel will remain in place for a period of two years from the date of final interviews. Only candidates with a valid work permission will be placed on a panel and the HEA reserves the right to remove candidates from any panel should they no longer have permission to work in the State. The HEA reserves the right to remove candidates from a panel if they decline a permanent position.

Confidentiality

Subject to the provisions of the Freedom of Information Act, 2014 as amended applications will be treated in strict confidence.

Security Clearance

Garda vetting may be sought in respect of individuals who are considered for appointment. The applicant may be required to complete and return a Garda Vetting form. This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which they resided. If unsuccessful, this information will be destroyed by the Higher Education

Authority. If the applicant subsequently comes under consideration for another position, they will be required to supply this information again.

Candidates' Obligations

Candidates should note that canvassing will disqualify and will result in their exclusion from the process.

Candidates must not:

- knowingly or recklessly provide false information
- canvass any person with or without inducements
- interfere with or compromise the process in any way

A third party must not impersonate a candidate at any stage of the process.

Any person who contravenes the above provisions or who assists another person in contravening the above provisions is guilty of an offence. A person who is found guilty of an offence is liable to a fine/or imprisonment.

In addition, where a person found guilty of an offence was or is a candidate at a recruitment process, then:

- where he/she has not been appointed to a post, he/she will be disqualified as a candidate; and
- where he/she has been appointed subsequently to the recruitment process in question, he/she shall forfeit that appointment.

Deeming of candidature to be withdrawn

Candidates who do not attend for interview or other test when and where required by the HEA, or who do not, when requested, furnish such evidence as the HEA requires in regard to any matter relevant to their candidature, will have no further claim to consideration.
