- A detailed CV (not exceeding 3 pages)

## Candidates with disabilities:

If you have a disability or need reasonable accommodations made during the selection process, we strongly encourage you to share this with us so that we can ensure you get the support that you need. Reasonable accommodation in our selection process refers to adjustments and practical changes which would enable a disabled candidate to have an equal opportunity for this competition.

Examples of adjustments we provide include the use of assistive technology, extra time, scribes, and/or readers or a range of other accommodations. Please be assured that having a disability or requiring adjustments will not impact on your progress in the selection process; you will not be at a disadvantage if you disclose your disability or requirements to us. Your disability and/or adjustments will be kept entirely confidential.

If you would like to talk about your application or any accommodations that may be of benefit during the recruitment process, please contact our Disability Liaison Officer, Liam McCaffrey, at [dlo@hea.ie](mailto:dlo@hea.ie)

## Selection Process:

The selection may include shortlisting of candidates on the basis of the information contained in their application and by:

- Interview, either in person in the HEA's offices or via MS Teams
- Completion of satisfactory reference checks (referees will not be contacted without the candidate's prior agreement)

The Higher Education Authority reserves the right to require candidates attend a second interview.

## Shortlisting:

Normally the number of applications received for a position exceeds that required to fill existing and future vacancies for the position(s). While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical

to interview everyone, the Higher Education Authority may decide that a number only will be called to interview. In this respect, the Higher Education Authority may provide for the employment of a short-listing process to select a group for interview who, based on an examination of the applications, appear to be the most suitable for the position(s). An expert board will examine the applications against pre-determined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience in your application.

## Panel

At the end of the selection process a Panel of qualified candidates may be formed from which vacancies may be filled. Qualification and placement on a panel is not a guarantee of appointment to a position. The panel will remain in place for a period of two years from the date of final interviews. Only candidates with a valid work permission will be placed on a panel and the HEA reserves the right to remove candidates from any panel should they no longer have permission to work in the State. The HEA reserves the right to remove candidates from a panel if they decline a permanent position.

## Confidentiality

Subject to the provisions of the Freedom of Information Act, 2014 as amended applications will be treated in strict confidence.

## Security Clearance

Garda vetting may be sought in respect of individuals who are considered for appointment. The applicant may be required to complete and return a Garda Vetting form. This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which they resided. If unsuccessful, this information will be destroyed by the Higher Education Authority. If the applicant subsequently comes under consideration for another position, they will be required to supply this information again.

## Candidates' Obligations

Candidates should note that canvassing will disqualify and will result in their exclusion from the process.

## Candidates must not:

- 
- knowingly or recklessly provide false information
  - canvass any person with or without inducements
  - interfere with or compromise the process in any way

A third party must not impersonate a candidate at any stage of the process.

Any person who contravenes the above provisions or who assists another person in contravening the above provisions is guilty of an offence. A person who is found guilty of an offence is liable to a fine/or imprisonment.

In addition, where a person found guilty of an offence was or is a candidate at a recruitment process, then:

- where he/she has not yet been appointed to a post, he/she will be disqualified as a candidate; and
- where he/she has been appointed subsequently to the recruitment process in question, he/she shall forfeit that appointment.

## Deeming of candidature to be withdrawn

Candidates who do not attend for interview or other test when and where required by the HEA, or who do not, when requested, furnish such evidence as the HEA requires in regard to any matter relevant to their candidature, will have no further claim to consideration.

## Quality Customer Service

We aim to provide an excellent quality service to all our customers. If, for whatever reason, you are unhappy with any aspect of the service you receive from us, we urge you to bring this to the attention of the unit or staff member concerned. This is important as it ensures that we are aware of the problem and can take the appropriate steps to resolve it. Feedback will be provided on written request.

## Protected Disclosures

The HEA is committed to maintaining an ethical and open workplace culture. In accordance with the Protected Disclosures Act 2014 (as amended), workers, including job applicants, have the right to report concerns about relevant wrongdoing in the workplace without fear of retaliation.

The HEA maintains an internal reporting channel for protected disclosures. Information on how to make a protected disclosure is available in our Protected Disclosures Policy, accessible on our website at [HEA-Internal-Protected-Disclosures-Policy.pdf](#).

## General Data Protection Regulation (GDPR)

The General Data Protection Regulation (GDPR) came into force on 25th May 2018, replacing the existing data protection framework under the EU Data Protection Directive. When your application is received, we create a record in your name, which contains much of the personal information you have supplied. This personal record is used solely in processing your candidature and should you be successful certain information you provide will be held by the HEA. Such information held is subject to the rights and obligations set out in the GDPR.
